Holiday 2008

[www.sederholmgamefarm.com](http://www.sederholmgamefarm.com)

It has been a busy year. We started out in the spring putting up more fence and then adding another stall to the barn. Mothers Day Morning Holly had a new calf waiting for me at the barn. Yukon a bull calf, weighing 13lbs 4 ounces is now almost the size of the adults. Yukon is in training and should be ready for the holiday season. You can visit Yukon at many of our displays listed below.
