## Emu Oil

Pure Refined Emu Oil is a deep penetrating, non-irritating, highly moisturizing, 100% natural supplement for your skin. Emu Oil contains oleic acid which reduces inflammation. When applied topically it is very effective on burns, alleviates pain and reduces scarring and blistering. Emu Oil is a natural substance that offers the benefits of pain relief without harsh side effects reducing swelling and inflammation in stiff joints and muscles. As a dietary supplement, pure Emu Oil has been reported to lower cholesterol by balancing the saturated fats in our diets. Pure Emu Oil dietary supplements also help build the immune system, boost energy levels and produce energy to assist with weight loss. Emu Oil in its natural form has 22 different essential fatty acids including the Omega's 3, 6, and 9.

## Emu Oil –
